

STELLARI PRE-PURCHASE SUCCESS CHECKLIST

Before placing your order, please review the checklist below to ensure your selected **range** is the right fit for your home and cooking needs.

If any of the points below do not align with your current order, please contact us for assistance in updating or canceling your order—or cancel directly through your retailer's online account to prevent the unit from shipping.

Range Type

Have you confirmed whether you need a **gas, electric, or induction** range for your home?

Overall Dimensions

Have you measured your space to ensure the range's **width, depth, and height** fit your cutout and surrounding cabinetry? Have you reviewed the full product specs?

Number of Elements

How many **cooktop burners or heating elements** do you prefer for your daily cooking needs?

Oven Size

Does the oven's **cubic-foot capacity** match the type and size of meals you plan to prepare?

Power Cord

Does your installation require a **plug-in power cord**, or will your electrician **hardwire** the range? (Note: Requirements may vary by model and local code.)

Oven Cleaning

Which cleaning method do you prefer? Manual? Self-Clean? Steam Clean?

Cooking Functions

Which daily cooking functions are essential for you? Bake? Broil? Air Fry? Proofing?

Bake element

Do you prefer a **hidden bake element** for easier cleaning or a **visible bake element** for traditional heating performance?

Door Opening

Have you checked that the **boxed range** can fit through your doorways, hallways, and final installation path?

Delivery

If shipping to a store, have you arranged for someone to receive or pick up the range? Do we have the correct contact information for the recipient?
